About me

Hello there!

"I'm Suraj Nigam, a final-year Electronics and Communication Engineering student at MANIT, Bhopal, passionate about graphic design. Currently serving as the Content Head at the Robotics Club. As an active contributor to the MANIT Editorial Board, I've honed my graphic designing abilities, contributing significantly to the successful publication of two magazines. Proficient in web development, I specialize in creating eye-catching designs using design software and languages like HTML, CSS, JavaScript, and leveraging tools like C++.

Software

Photoshop
Illustrator
Xd
Figma
